**Channeled messages from Coeus,
God of Intellect**

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

Channeled Message from Coeus —1/19/18

I don't intend to frighten anyone with Coeus' messages, but **these ARE the truths.** I imagine that most of you that are reading these messages are very aware of Ascension, and what you need to do to ascend to New Earth.

For the rest of you that are perhaps reading these messages at a later date in "time," I wish you the best of luck with the choices you made; for they were YOUR choices and yours alone. This is a free-will planet, and you have created your own reality through those choices.

*(D) Then someone picked something up off the **floor floor floor, floor floor**. I think he's trying to explain how they sound similar, yet are different in their weights and meaning; thus the dialect issues that he's mentioned prior.*

(D) I find it interesting that he said "4" five times and "floor" five times as well.

(D) Is that a Schoolhouse Rock song? Is it about the Pilgrims? Throw them away...start a revolution...

(D) There was the word "key" thrown in there too.

and the game.

(D) I just keep getting that song...

(D) If you're not going to talk, I'm going to snooze. There is that song again!

(D) Wait, I think that it's the Schoolhouse Rock, [Tea Party-No More Kings](#) " **We're going to hold a revolution now King, and we're going to run it all our away...to the very end.**" For some reason I don't hear all the words; just those. Did you say, "to the very end" or was it part of the song? I'm not sure.

(D) Now I hear that other song that you played before, "[Girl](#), you'll be a woman soon, come take my hand." You'd know that I would always take your hand; and I have!

(D) Shoot, we we're talking "off the cuff" and I can't remember what it was you said now. And there is that song again, "**It's up to you girl, I've done all that I could.**"

(D) I'm hearing "**Please, come take my hand,**" in a song again.

(D) I want to take your hand. Maybe I can go back to sleep and you'll take it there. I'll leave my hands outside the covers, just like I used to, and you can freely take one, like you've done before.

(D) I have an odd, hard pain in my stomach. I'm not sure what that's about.

Girl, you'll be a WOmAn soon, PLEASE come take my hand.

(D) I'm trying, but I don't see you. Perhaps I'm trying too hard.

The septic field's afire.

(D) Then I heard a "whoosh" sound. I think that I know what he's talking about; humanity and their demise. He's referenced, "down the toilet" comment somewhere in another channeled message.

(D) Just before I awoke, I was having a "dream" where I'm searching with another person in a swimming "pool." There are these needle-like pieces of "shrapnel" in a Judge's pool. I think it was a Judge; it's a "knowingness." I remember seeing him, but have not idea of his name or what he even looks like now. I remember that he was of an average build with brown hair. I think he wore some kind of green shirt.

(D) I found the "detonator" and some other large pieces of "shrapnel" as well. Then I heard part of the song, "[Revolution](#)" by the Beatles.

You say you want a revolution...well, you know.
