**Channeled messages from Coeus, God of Intellect**

**Please READ THEM IN ORDER.** You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

### **oeus — God of Intellect** (Evening of 1/3/18)

*(D) The night of 1/3/18, I couldn't get to the houseboat. My truck was acting strangely, so I turned it around, and drove back to the farm for my SUV. Upon arrival, the tire was nearly flat on the SUV; this means no transportation.*

*(D) I spent the night at the farm with Chris. I did a very short channeled message from Coeus that evening, before retiring for the night.*

*(D) Coeus message is about my birth as Athena; how the entire thing transpired. The truths have been fabricated.*

**His** body and soul became birthed, or so they say, from pure thought, transpired by thought you begat; you became birthed whole. Chosen few became in this manner...

*(D) He has referred to me (Athena) in this way once before; masculine and feminine. It was in a short message; one sentence that I didn't post. At the time, I wasn't sure what to think about it. I thought I misunderstood what Coeus was saying.*

**He** was given birth through thought. Through thought **he** became.

*(D) I was confused by the word "he," as most people believe that Athena is a "her" or "she." It's actually kind of funny, because in my book on Inter-dimensional travel, I talk a great deal about the "divine feminine and masculine."*

(D) I've been curious, because I knew nothing historically about Athena; other than her name. I found these pictures online. It showed Zeus giving birth to a full being; out of his head.

(D) Everyone that talked about this pictured said that it didn't make sense. How could Zeus give birth to a full-sized being out of his head? She was born in full body armor; shield and all.

(D) According to myths, Zeus was warned that if his wife gave birth to a son that the son would eventually overthrow his reign as King of the Olympians. Zeus wanted a son so bad, but the thought of losing his reign wasn't going to happen. Zeus was smart. He "created" a son/daughter himself; the perfect balance of the divine feminine and masculine. That way he had his son, but also a daughter; all in one.

*(D) Remember; these are energies that can take form; just like the Holy Father gave thought and spoke things into existence, the God's can do the same. They were also created in "God's image."*

*(D) Back to the evening message...*

**...for her beauty and quick resolve far outweighed her need to exist in a heavenly state of being.**

**You are the finest piece of workmanship. Listen to her now; her resolve far exceeds a personage, far exceeds her patience and virtues...**

*(D) Then Chris walked into the bedroom and disturbed me. I probably should have told him that I could feel Coeus trying to communicate with me in the living room, and I was going down the hall to lie down. I think Coeus said enough, "**Listen to her now...**"*
