Channeled messages from Coeus, God of Intellect

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

oeus — God of Intellect (morning of 1/3/18)

Disclosure on radio waves used to inhibit the pineal from receiving messages of the divine truths and how ascension came to be.

Before you read the channeled message from Coeus, please take a moment to listen to the song, "[Hello I love you](#)" by The Doors.

This is a WKBW radio transmission.

(D) The song, "[Hello, I love you won't you tell me your name?....](#)" by The Doors is playing in my head.

(D) This was the AM radio station that I listened to as a kid. They played great rock and roll. I'd lay out in the grass for hours listening to my old, brown transistor radio.

(D) Do you want me to tell you my name? You know that I'm Diane in this incarnation. You told me that I'm really the Goddess Athena.

The Goddess of LOVE that you are.

(D) That Venus! LOL

Beauty and fertility are your game.

(D) That's like that song. You changed the words from, "won't you tell me your name" to "beauty and fertility are your game." You are so sweet and creative.

Fertile minds and truths coincide together within the matrix of realities making us able to reveal ...

Tell them about the light show.

(D) It's like a golden center with a chartreuse edge with a cobalt blue edge around it. It's really pretty.

...delicate messages of truths.

(D) Sorry, I almost missed that message. I was distracted by how beautiful your energies are.

The truth of the matter is that it reveals scientific data accurately within the truths, resulting in a means of deciphering these messages more accurately; quicker than your attempts to visually relay the messages.

(D) I'm seeing the beautiful light show again.

Take my hand; I want to show you something.

(D) LOL, I'm not falling for that one again. Last time you were Harry on the Astral Plane and you showed me how you died. Your arm fell off and blood shot all over your face and mine.

(D) He's pointing up to the stars.

Look up there. There are galaxies beyond your reach and your touch, waiting to be explored through thought; telepathically. Your desire to learn things beyond your imagination can enable you to reach out through unseen walls, beyond the scope of exponential expansion and growth.

(D) We're kind of talking back and forth here; because I thought he said the word Nebraska. We were talking about space.

If I say it, I mean it.

Nebraska is a state of extreme climatic conditions within the realms of unknown variables.

(D) Hot, hot, hot!

That's because you're fighting it. You lived in Wyoming, another land of unknown variables.

(D) Back to the story as it goes...

Climactic conditions exist that demonstrate...

(D) Suddenly it's so warm.

...an abyss of fortuitous foes.

(D) Sorry, it doesn't make sense to me. I must be thinking again.

One moment it's sunny and one moment it's cold throughout daily...

(D) Its funny, now I'm cold.

Tell them.

(D) Sorry I forgot. First I was hot, now I'm cold! So I'm feeling what he's saying.

...concise fortitudes within the constructs of human conformation, to wear proper attire; entirely.

(D) I'm telling him, "I know this is going someplace."

I know that you are excited to learn.

Human understanding requires the ability for a flexible way to present materials that are trans...

(D) He's dancing around on his little owl feet, dancing around, and around. The word is...trans...trans... Oh, I'm dancing around the word. Hang on a second...transgendered? We'll go with that. He's looking at me winking and pointing at his nose; that's correct.

(D) Does that mean male and female or feminine and masculine?

Both.

(D) LOL I don't even remember what you said before. I only remember getting caught up on a word.

...transgendered.

You seem to think that vocabulary exists for those (?) who seem to dance or skirt around important truths significantly increasing their chance to accurately-depict in an affective manner-way.

(D) He's trying to make a point, because he showing me two words that mean the same thing. I'm sure there is a word for that?

Redundancy.

(D) I was thinking that earlier, you're using one word to explain another word.

It's necessary.

(D) I don't even remember what we've been talking about. Something about Nebraska and Wyoming?

You should probably say that.

(D) My fingertip chakras are pulsing again, like they did yesterday during channeling.

To which synchronicities occur within your ability to relay the truths accurately within nature's ability to confine the space...

(D) And I see space in "outer space." This is a little side note as we call them.

You're ability to get distracted never ceases to amaze me. Your visual acuity bylines logic.

...space, the final frontier.

(D) LOL that's a Star Trek joke.

Your happiness and smile helps.

(D) Sorry, I'm getting so relaxed.

 **Smooth out your lack of focus, on the words presented.**

 **Throughout mankind's reign of terror, conditions existed that relentlessly lowered frequency bursts, a conundrum throughout societies control systems...**

(D) That was so weird. I heard this odd sound. I'm having a difficult time describing it. Like some kind of cranking sound of gears going around.

 **...revealed untruths. Sleeping giants emerged. The texts are wrong. The truths revealed the truths...**

(D) He's commenting on me saying, "Well this interesting, it reminds me of the giants mentioned in the Bible."

 **...controlling aspects of human nature for greed, wealth, and other powers forgoing all truths.**

(D) His head is hanging down and he's very sad. I'm a little owl putting my wing around him and saying, "Don't be sad, I love you." He put his wing around me and is holding me hugging me.

 **It's a gentle embrace.**

(D) Its OK, you can hold me in a while.

 **No, you'll slip away.**

(D) This is so cute. I can see myself, a little owl that is sitting there looking up at him, with my wings folded in front of my chest, waiting eagerly to hear what he has to say next. Back to the message...

 **Conformance was the key for control. Factors resulting in the downfalls, resulting in discordant behaviors and untruths for discordant energies; properly referred to as, "sanctimonious breaches in cosmic laws."**

(D) When I received the word "cosmic laws," I started to get that lightshow again and the pulsing energy he showed me yesterday.

Pulsing energies; radio frequencies inhibit the growth structure and promote cellular decay through means of energy transference...

(D) He says that I'm mad and getting angry.

...resulting in the decay of the humans ability to accurately receive the truths through the pineal cortex, resulting in calcification of crystalline structures; receptors to divine messages of the truths. Logically,...

(D) He has his finger up in the air.

...one would think the decay was from the decay of the receptors, rather it was from poor, free-will choices, made by the human collective to conform to the heightened states...

(D) Sorry, I'm distracted by an imaging coming in.

...of awareness.

(D) So I'm hearing the Star Wars theme song and he's showing me a little symbol like the intercom on the Star Trek peoples clothing. I'm also seeing a starship like the Enterprise.

(D) Update. After reading this message online, I made a direct correlation to what he was saying about "receptors" in the message (2 above) to the little "intercom" on their clothing. The starship that I saw pertains to the "star nations" in the next sentence.

Attempts to correct impertuities; a deep seeded notion, resulted in an alliance of star nations, who's one goal was to correct the impertuities among the

masses. Attempts were made, failures were encountered, until the notion of ascension was addressed.

Beings like you...

(D) He's pointing at me.

...took bodily forms to raise frequencies; shifting the scales of justice.

Unseen truths exist simultaneously, for those who lie unseen. The truths can be difficult to reveal within the confines of the human psyche. Great efforts were made.

(D) I'm getting the song from Michael Buble, [Summer Wind](#). I think it has some meaning to his message. "They linger there"... and then he pointed at my forehead; "they linger there, like two sweethearts in the summer wind."

(D) He's demonstrating, "shake it off."

(D) I'm saying the Violet Flame prayer to shake it off."

***Enough of this nonsense; humanities reign of terror is over; its ending!**

(D) Wow, your energies are cooking me. Hot! Wow, there sure was a lot of passion in that statement.

The truths exist for those on the path to ascension.

(D) He's waving his finger; actually, it's his owl wing/feather.

Choose wisely.

(D) I still have that song, "come take my hand, come walk with me; two sweethearts in the summer wind."

And that concludes our stroll.

(D) In the summer wind.

(D) Awe, we're walking hand in hand; or should I say feather and feather.

(D) Gee, I'm so little next to you.

I love you.

(D) I love you too.

Conformance to nature's laws exist for those who make it. Free yourselves from the needs to conform to written rules of behaviors.

(D) Somebody whispered to me "temptations." It was a snake-like sound. I've heard this once before. Like an airy hissing sound. The energy was moving in a wavy, vertical motion. I could feel a huge energy shift. I didn't like the way that it felt.

(D) It was like an enticement to come to the dark side. I didn't like the way it felt. It only lasted for a second, but now it's gone.

Point taken.

Temptations arise, within the hearts need to conform. Tempers exist...

(D) Suddenly, I'm all confused. There is a bunch of stuff going on.

Zzzzzz

**Chris pointed out to me the next morning what Coeus said is in the Bible.*

Revelation 21:5-6

5 *And he that sat upon the throne said, Behold, I make all things new. And he said unto me, **Write: for these words are true** (the truths) and faithful.*

6 *And he said unto me, It is done. I am Alpha and Omega, the beginning and the end. I will give unto him that is*

athirst of the fountain of the water of life freely.

(D) Will you know Christ when he returns? He will most likely come to you through your "un-hardened heart" allowing you to hear, as he does me, and through my 3rd eye; the one that sees and is not closed.

There are countless scriptures in the Bible that mention that the peoples have mouths that cannot speak, eyes but do not see, and ears that do not hear. Many more about hardened hearts. If you are reading all of Coeus, God of Intellect's messages, you will have encountered these very statements. He even talks about my abilities to utilize ALL of these at one time. He's trying right now to teach the people how to "channel" the truths throughout these messages.
