**Please READ THEM IN ORDER.** You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

## oeus, God of Intellect — 12/17/17

Coeus was transmitting his messages in light language, which was extremely challenging. There are a LOT of comments from me (D). This new form of communication is quite different than just hearing, feeling, and seeing. He also can control my bodily functions. You'll see more of this in upcoming channeled messages from Coeus.

(D) *Your scribe is awake.*

**Brothers and sisters, lend me your tennis shoes. America lies; DO NOT listen.**

**Batten your hatches; you're in for a rough ride. Those scalawags indeed are up to shenanigans, and their recorded truths play rolls in deceit through society. Darkness exists among those not seeking truths. Procedures and documents defies logical representation of facts. Pursuits leave December's shamelessness intact.**

(D) *I'm sorry, I'm having a hard time tonight.*

**That is because you are doubting yourself to deliver these fine messages of truths to all; satisfactorily.**

(D) *They're showing someone trying to pull out a rug out from under me.*

(D) *Over and over again these songs; "[Baby it's cold outside...](#)"*

**Major lulls in consciousness exist; coinciding with truths throughout humanities reign of terror.**

**Signifying controls and unloving acts, containing toxic behaviors, because beliefs differ. What goes up must come down; hard.**

**Sequential acts of kindness occur this holiday season; little is made yearly. Discordant behavior is subject to inner disciplines; Charlatans' arise, the thing to remember is facts outweighs language barriers. A distance barrier precludes wrongful acts of savagery.**

**Climatic changes occur. Timeline shifts and frequencies occur globally; creating havoc throughout society's belief systems. These changes make for interesting results indeed, consequentially changing those that should otherwise exist smoothly. Caring waits/carrying weights of ecstasy/exodusy, using logic that defiles logical reasoning, throughout.**

*(D) I was stumbling on the word "throughout," so he started to show me the meaning. I said, "It looks like you are trying to throw something out? Oh, throughout! LOL"*

**Your brain suffers imagination beyond beliefs.**

*(D) LOL, Are we playing charades? It seems like it.*

**A slap on the chin, anger, jealousies, and hatreds exist, pertaining to the vernacular, coinciding(?) truths; all twisted up. Logic prevails.**

*(D) Directing this message to me:*

**Your mastery excuses your means of delicate translations.**

*(D) There seems to be a new method of message delivery. It feels like there is a ping pong ball bouncing around in my head. I'll see one word, it bounces back, then another and another that mean the same thing. I saw "fortitude, then it went, bong, bong, bong, "fortune," now "fortunately." It's like the letters are changing around and I'm hearing them like that...it's so odd.*

**Fortunately, truths shall prevail, recognizing the facts that exist. Simultaneously resounding in remarkable acts of kindness, throughout you**

**planetary systems.**

*(D) This is so strange the way you are doing this. Who the heck is this? Who are you? I think it's Coeus.*

**Coeus, speaker of truths, yielder of the vernacular sword.**

*(D) The information is coming in through some kind of light flashes. There is light bouncing around. Light flashes, instead of words; for lack of a better description. The light becomes the word/truths.*

**Light language exists in outer realities. Frequency exists simultaneously with light photons breathing life force energies; photonic bursts.**

*(D) He's trying to show me something with a wavy light going upward.*

**Reality changes exist...**

*(D) Wow that's weird.*

**They tell me that you are confused by this process.**

**...existent life form...**

*(D) starts with "fruit"...fruitfulness? fruition?*

**Planetary changes occur throughout recognizable urban centers, while others show substantial effects and financial changes.**

**Spirituality exists for those that seek it.**

*(D) Oh, here we go again...alleged, alluded, illegal, allergy...What is with the dictionary tonight?*

**Allegorical displays (having hidden spiritual meaning that transcends the literal sense of a sacred text) produce alleged results, simultaneously existing throughout your minds capacity to calculate reasonable expectations.**

*(D) LMAO, well that was weird.*

**Rapid particle acceleration, quantum physics, entitlement theory projection enables you a reality check. The code is the answer; it is all in the code. You just have to find it there, in order to make sense of it all.**

**?’s are a sense of it. It’s like finding your way through the forest on a dusky night. Moonlit trees light your way through the shadows, recollecting bits; period. The dusky shadows appear dark, but light reflects the knowingness...**

*(D) OK, why are you all the way over there? Oh!*

**...FAR exceeding one’s own expectations.**

*(D) Are we playing basketball? It looks like you’re throwing something...oh, you’re shooting. LOL, you’re smiling at me and shooting. You are shooting for the stars! OK, I got it!*

**Come on, I want to show you something over here.**

*(D) He’s taking my hand and dragging me along.*

**See that? That’s your home galaxy. It’s a place of great learning. Don’t believe what you’ve read in text. They are false worships, through humanities efforts to explain the unknowns.**

**Come here, I want to show you this. Do you see that?**

*(D) He’s holding a little galaxy in his hands that’s spinning.*

**It’s wide open expansion, occurring singularly. The stars signify glory, just beyond reach. There’s a magnificent display of unity, tranquility, peace, and good will among star nations. Star nations respond in “like.”**

*(D) Zzzzzzz*
