**Channeled messages from Coeus, God of Intellect**

**Please READ THEM IN ORDER.** You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

## Introduction of Cronus

**NOTE:** The word "**heart**" appears approximately 1,000 times in the Bible.

## Coeus, God of Intellect &

## Cronus — 12/9/2017

After the 2nd channeled message, **I realized that I could talk to Coeus**; not just listen. As the messages progress, they become more "light-hearted," because of the bantering between us.

As you read, please do not think of a God as a physical being, as they are energy-based beings like us, just of a different vibrational frequency; higher.

Later in the channeled message, Coeus' brother Cronus steps in. Cronus is also here "energetically" to assist in the ascension of our planet through his own unique vibrational frequencies.

**Ancient mariners, wisdom warriors, and ceramic artists, lend me your ears.**

**This is a fortuitous moment in the history of your planet. The Holy Father spoke to me on the day in question.**

*(D) I believe that he is talking about Ascension of the planet; his Mother Gaia.*

**Think of it as a big elementary school, overflowing with an abundance of trust, liberty and the pursuit of happiness. Intuitively speaking, people criticized my mother's (Gaia) capacity to calculate one's own self worth, through menopausal actions, resulting in a twisted sense of pursuit throughout humanity. Consequentially obtaining a (?)**

**You tend to over-categorize stupidity, with**

**loathing intertwined with common goals of satisfaction, throughout eternity, resulting in despair, dysfunction, calamities, carnivorous servitude towards others; retrospectively.**

**I am Coeus, God of intellect, keeper of mystical wisdom.**

**Tiny octaves of truth are cast throughout your society's dysfunctional pursuits of happiness. Wanton fear, countless misery and shame, reside within their auric field of light.**

*(D) I couldn't understand "light." I thought you said "life, I'm sorry.*

**Your scribe qualities lend little to be desired.**

*(D) Me laughing (LOL): "I'm new at this, remember?"*

**Hope defines purity.**

**Inner truths throughout the course of history changed, according to mankind's desire to conform to others wanton foolishness; continually causing chaos and confusion, conformance, conundrum, and blatant lies of truth, justice, and freedom for all.**

**Conceptualize the mutterings of a few, saying nothing but lies, discord, and fallacies throughout your history. Sequentially irritating, many in substantial numbers, betraying those formative minds, like fragrant waters of the Ganges River wide.**

*(D) NOTE: The Gange River is highly polluted.*

**I am Coeus, keeper of intellect, wisdom and truth, come forth to magnify your plans for self-destruction.**

*(D) I want to point out something here. Coeus and Cronus were both locked away in Tartarus, which brought down humanities destruction. In the war of the Titans and Olympians, the "good guys" lost. Don't believe everything that you read and hear. Their energies were literally hidden*
