Channeled messages from Coeus, God of Intellect

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

For those of you that have read my book and channeled messages, you will have discovered that my oversoul is Athena; Goddess of Beauty and Fertility. Much of the art of Athena shows her with an owl or a snake. The owl actually is Athena; she **is** the owl. She has the ability to morph back and forth, just like Coeus and Cronus into an owl form or parts of an owl. I also do this when I'm my oversoul and channeling Coeus. I'm the cute little owl that you see in the logo above in the header and Coeus is a big hulking, broad-chested, sexy owl, with tiny feet.

I believe that Athena's mystical powers come from her relationship with the snake energies which can manifests

into her mystical abilities. If you have read my channeled messages, on a few of occasions I've heard a hissing sound or I've seen a snake.

On the morning of **January 3, 2018**, I experienced the following during channeling Coeus.

(D) Somebody whispered to me "temptations." It was a snake-like sound. I've heard this once before. Like an airy hissing sound. The energy was moving in a wavy, vertical motion. I could feel a huge energy shift. I didn't like the way that it felt. It was like an enticement to come to the dark side. It only lasted for a second, but now it's gone.

Point taken.

On **February 5, 2018**, I had a psychic vision with a snake.

(D) Now there is someone lying on the ground on his back. The top of his head is towards me. There is an arching snake between me and the man. I'm an observer. The man seems aware that the snake is behind him and quickly rolls to the left as the snake strikes and hits the ground; missing him.

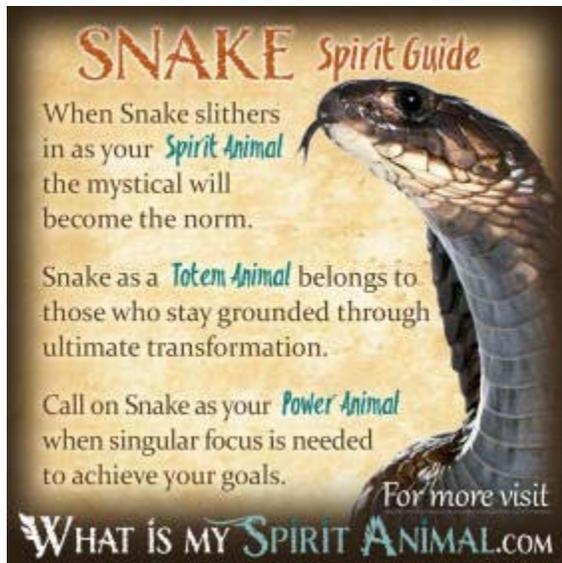

This morning, I was having a "psychic dream" involving a huge snake. There were some people and animals in one of my stair-less buildings, where I had to crawl through things to navigate the energies. I talk about these types of inter-dimensional experiences in my book. The people and animals were so frightened of this large snake, and were trying to run from it, for fear they would be caught and eaten. When looking at the snake from the front, it is almost like a snake is within a tan/gold colored tube.

I gathered the people and animals together and hid them from the snake. Then I went out by myself to confront this giant snake. When I found him, I approached him head-on. Instead of "conquering" the snake and over-powering it, I talked to the snake and told it that I love him. As you might recall, it's important in any battle to "choose your battles wisely." That is exactly what I did; avoided a battle by eliminating fear.

The snake looked back at me and was in such joy. **All he wanted was to be loved**; not feared. The problem was that everyone would attack him "thinking" that he meant them harm. He was being falsely judged, which is why it is so important to listen VERY carefully to each others

words and feelings.

When I arrived at the farm/studio, I searched on the spiritual dream meaning of "snake." I first searched using images and found one of the most beautiful animal totem websites I've ever seen. It's called, "[What is My Spirit Animal.](#)"

After I read about the snake, there was a quiz that people could take to see their own spirit animal. I answered the questions to the best of my ability, pressed the button to find out my spirit animal and poof!, it was the **SNAKE**.

I'm going to start calling upon the power of my spirit animal; **the Snake**, as most are not to be feared; but loved. I will be cautious of its "temptations," but not fearful. Fear comes from not having accurate truths. ASK, SEEK, and KNOCK, then use your heart and brain to find the knowingness you require for your quests.
