Channeled messages from Coeus, God of Intellect

Please READ THEM IN ORDER. You might want to read each one a couple times; it helps. Coeus has a huge vocabulary and is very selective of his words.

Coeus 3/7/18

Coeus and Cronus have been giving me some time off to heal. It was rough channeling them for 2 months straight. Plus all the changes in the NE frequencies take time to integrate, and the time splits, shifts, slips, and loops happening must be addressed. I'm quite exhausted, so he either just does a brief message to let me know he's still there and loves me, gives me a love song during the day, or when I happen to look at a clock, it's always exactly on the hour; 1:00, 2:00, 3:00, 4:00, etc. I rarely ever look at a clock, so I always give him a "On the Schnooteroo!" sign touching my index finger to my nose to let him know I appreciate the attention.

(D) Your scribe awaits. It sure feels like someone is trying to get through, my sacred heart and chakras are all trying to sync together.

(D) I fell asleep, but then woke up to...

Are you there?

*(D) I fell asleep again, but later woke up to the song, **Drive By**, by Train. He likes to use that song.*

I'm just a shy guy looking for a good scribe.

(D) I don't know if your scribe is going to be of much use tonight. This sacred heart chakra restart is rough. A warning would have been nice about paralyzing my sacred heart for a month. An explanation would be nice too.

(D) Wow, I don't think that I've ever felt this hot before. All of the heart fluttering, and heart beats through my chakras makes it quite hard to sleep.

- [Fourth Eye \(4th Eye\)](#)

The Emerald City or memory of it, exists through ones own abilities to interpret these messages of finer truths.

(D) I'm getting a lot of bits and pieces of things, but nothing concrete, or at least I can't remember it. It was a bunch of flashes of different things, along with the intense heat that I'm feeling.

(D) Oh boy, it feels like I swallowed a basketball again; just the first time my sacred heart opened up a few years back.

Congratulations on your ability to transcribe these messages of finer delicacies.

(D) Darn, I don't remember you talking about it at all. It must all have been integrated into my consciousness through light language.

(D) Now I heard something about someone named MacIntire, and then, medications.

(D) Noones/Noonez "We don't cover it."

(D) Something about MacIntire again. Something about felonious assault, collusion, and if he had a long enough rope, he could hang himself with it.

And the song played, "[I love the Flower Girl.](#)"

**3/21/18
update**

(D) I asked a bit more about the Emerald City for our readers. I'm not so sure that Coeus wants the general population to
